**REQUEST FOR A NEW OFFICE ACTION AND RESTART OF
THE PERIOD FOR RESPONSE**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Office Action dated September 15, 2005 was received in the above-identified application. In section 5 on pages 5 and 6, rejections were made under the doctrine of obviousness-type double patenting citing U.S. Patent Nos. 6,377,747 and 6,611,655. However, U.S. Patent Nos. 6,377,747 and 6,611,655 were not cited on the form PTO-892 as is required. As a result of this defective Office Action, a new Office Action is requested properly citing U.S. Patent Nos. 6,377,747 and 6,611,655 on a form PTO-892. Since this error is being brought to the attention of the Patent Office within one month of the mail date of the Office Action, the period for response is respectfully requested to be restarted as is required in M.P.E.P. § 710.06.

Respectfully submitted,

Kaoru MURASE et al.
